

Dear LTHS Class of 1977 Alumni,

Can you believe it's been **40 years** since you graduated from the best school in the Western suburbs of Chicago??? LOL...but it has and so we are so excited about the upcoming reunion. We have been having the reunions every 5 years now and its amazing how fast time flies. We hope you all are doing well and in good health; and encourage you to come back home and reconnect with some familiar faces. The main reunion event will be on Sat., 9-16-2017. (see agenda attached). Please note we will NOT be having a Friday night get together as we are saving that night for individual middle school gatherings.

We have made a collective decision NOT to send any paper mailing, so please spread the word. Note that we will no longer be communicating through Classmates.com.

Please...keep in touch! Below is how you can reach us...
